## Celebrating a Decade of GAP!

Year 10! In the decade of activities, 450 girls have spent at least one afternoon laughing, exploring, and building confidence with their other girls in a safe environment. This year to celebrate, we are sponsoring one activity a month to celebrate our girls and our commitment to being an anchor in the lives of young girls in Teton County. From an ice cream social for donors and girls in September to a reception in March recognizing the girls The reception will be on Tuesday, March 25<sup>th</sup>.featuring self-portraits and stories created by the girls. In addition, Girls Actively Participating! would like to welcome its two new board members, Barbara Trachtenberg and Kay Jones. We are excited to have them as a part of our GAP! family. Thank you to departing board members, Linda Hanlon and June Green for their commitment to our girls. Thank YOU for your continued support of our program.
